Vision360

Postal Analytics and Reporting

Created with exclusive technology, the PostBase® vision offers advanced postal analytics and reporting through Vision360. Accessible through the MyFP Customer Portal, Vision360 provides companies a 360-degree view of postal usage to better monitor, manage, and control postal expenditures.

With the Vision360 analytics dashboard, you can get an operational overview of postal expenses, ink and postage on the machine, and postage downloads for better budgeting and planning. Getting the right report you need in the format required is easy. Report types are displayed on-screen as tiles or in a list view that can be sorted by favorites, alphabetical, report type or subscription level.

Reporting Metrics Available:

- Postage Download
- Postal Usage
- Cost Accounts
- Postal Class (Advanced & Professional)
- Meter Operators (Advanced & Professional)

The Essential subscription is included with your PostBase® vision mailing system and offers basic reports. Optionally, the Advanced subscription tier unlocks additional reports while the Professional subscription allows you to combine multiple metrics into a single report, in addition to unlocking additional reports.
